VOLUNTEERS NEEDED!

The Eastern Great Lakes Regionals Championships, hosted by Louisville Skating Academy (LSA) at Iceland Sports Complex on October 1-6, 2007, are almost here! Volunteers are still needed to help out in select time slots as indicated in the list below. These Regional Championships are sanctioned by **U.S. Figure Skating** and locally presented by the **Greater Louisville Sports Commission**. This prestigious event is being held for the first time in the Commonwealth of Kentucky. Top competitive skaters from a seven-state region will compete for the chance to move on to the U.S. Figure Skating Championships in January 2008.

A **one day event pass** will be given to each volunteer (*non*-LSA members only) who commits to help out in one of the time slots below. If you can help, please contact **Jeannine Flynn, Event Volunteer Coordinator** at flyn0305@bellsouth.net. Help your local sports commission continue to bring great events like this to Louisville by volunteering today! For more information about the schedule and tickets, go to www.eqlr2008.org.
