COMPETITION MUSIC INFORMATION (NEW FOR 2008)

Beginning with the 2008 competition season, U.S. Figure Skating will require all competitors to fully complete a competition music information form as part of the online registration process.

The following information is required for each piece of music used for the short program/original dance and free skate/free dance: Composer, Orchestra, Duration of Music, Record Label/Number (Optional but highly recommended if obtainable).

For all qualifying events during the 2008 season, CDs are the only acceptable forms of media. **Cassettes will NOT be accepted.** CDs must be clearly marked with name, event entered and the music length. **Each CD must have only ONE (1) track on it. In the case of short and long programs, two (2) separate disks must be used.** Any disc with more than one (1) track will NOT be accepted! Lead in time (time before the music begins) on CDs may not exceed two (2) seconds. Each CD must be in a standard hard sided "jewel case" or CD sleeve, also labeled with the skater's name and event. Jewel cases and CDs that are not properly identified will NOT be accepted. **Due to compatibility and reliability reasons music may NOT be submitted on re-recordable "CD-RW" discs.**

Competition music must be turned in at the registration desk at the time of registration and will be available for pick up at the registration desk at the conclusion of the event. At the regional championships, competitors will not receive their credentials at registration until they turn in their music. The originals used at regionals will be forwarded to sectionals and the U.S. Junior Championships for those advancing. The originals used at sectionals will be

forwarded on to the U.S. Championships for those advancing. Skaters advancing to the U.S. Championships will need to provide the name and composer of each piece of music. CDs will not be mailed back to competitors.

All competitors must have at least one (1) additional copy (CD) rinkside at practice sessions and during the actual competition event. The local organizing committee will accept no responsibility for damage or loss of CDs.

U.S. Figure Skating will supply current dance music for compulsory dances.

E. OFFICIAL BULLETIN BOARD

The official bulletin board will contain any announcements or changes and it is the responsibility of the competitors to check it often for official notices. Please refer to the local portion of the announcement for further information regarding the bulletin board.
