

## LSA USED EQUIPMENT SALE INSTRUCTIONS FOR SELLERS

- ✓ Clothing should be clean and on hangers. If you present your item well it has a better chance of selling.
- ✓ All items (including skates and accessories) must be tagged with a 3" x 5" index card displaying the information below neatly in ink.
- ✓ Please do not use paper. It tears easily and may leave your items unidentified.
- ✓ Index cards should be attached with a safety pin in secure place that will not damage the item. Please no straight pins.
- ✓ Please tie skates together and ensure that skates are marked with correct boot manufacturer, blade if applicable and correct size including width.
- ✓ Please bring a self addressed stamped envelope to receive your check. Checks will only be mailed and no longer available for pick up.
- ✓ If you would like any of your items to be included in the 50% off sale that will run **ONLY** in the final hour of the sale on the final day of the sale – Thursday January 26 from 5:30-6:30 pm, then please mark your card with a large red dot on the upper right hand side of the card.
- ✓ You may choose to sell some, all or none of your items with a red dot. All items will be for sale at all times regardless of pricing. The final 50% off sale is to encourage buyers to return and to increase everyone's chances of selling their items.
- ✓ We suggest that you sell your item for a price that you are comfortable with. Keep in mind that buyers typically will not pay new prices for used equipment and sellers who price their items the most aggressively and competitively have the greatest success.
