

Injury Credit Request

Please note: *No credit will be issued until this completed form has been approved by the Vice President of LSA/Chair of the Contract Committee. Your approved form should be attached to the registration document for the skating season following the injury or illness. You must attach a doctor's note to this request substantiating the seriousness of the injury or illness and documenting that the injury or illness prevents the skater from participating in all LSA activities. The note also must specify an ending date for the illness or injury when the medical professional believes it is safe for the skater to return to the ice. Vague ending dates like "2 or 3 weeks" or "after Labor Day" will not be accepted.*
