## About Louisville Skating Academy

The Louisville Skating Academy (LSA) is a member of the Midwest Section of U.S. Figure Skating (USFS), the sport's national governing body. LSA membership ranks among the top 10% of figure skating clubs in the country and has increased by more than five times its original membership two decades ago. LSA offers a multitude of opportunities for anyone interested in figure skating. Learn more about LSA programming at [www.SkateLouisville.org](http://www.SkateLouisville.org).

## Learn to Skate Program

This program offers year-round classes and camps for beginner skaters ages 3 through adult. It serves more than 500 participants each year and has been recognized by USFS as the #1 program in Kentucky. Adaptive classes are offered for special needs skaters, as well as special events to provide opportunities for members of the community to learn to skate.

## The Aspire Program

Aspire was launched by USFS to help beginner level skaters transition into more competitive training.

## Synchronized Skating

Synchronized skating is a team sport in which 8-20 skaters perform a program together. It is characterized by teamwork, speed, intricate formations and step sequences.

## Competitive Skating

Approximately 80 athletes from Kentucky and Indiana train with LSA annually. LSA offers year-round on and off ice programming and events. Members have represented LSA in the National Qualifying Series, Midwest Sectional Championships, U.S. Figure Skating Championships, National Excel Final, Showcase Nationals and have represented Team USA in International Competitions.

## Artistic and Cultural Offerings

LSA is not only dedicated to its athletic endeavors but also takes pride in enriching the artistic and cultural landscape of the wider community.

LSA's most notable production is "Nutcracker on Ice," an annual Louisville holiday tradition sanctioned by U.S. Figure Skating. Performed over a single weekend with four showings, Nutcracker on Ice features over 80 cast members and consistently sells over 1,200 tickets.

Held each summer, LSA's Fire & Ice features skaters of varying ages and levels showcasing different aspects of skating, from synchronized to showcase, singles and pairs. This unique event is great fun for the skaters and allows them an opportunity to perform new programs before the competitive circuit begins in the fall.

LSA is always looking for ways to improve the productions and would welcome sponsors to help cover new sets, costumes, ice time or other costs.

## Sponsorship Information

The Louisville Skating Academy is actively seeking sponsorships to help offset costs associated with our training programs and special events. LSA is a 501c(3) nonprofit organization dedicated to developing and promoting figure skating. As a member club of U.S. Figure Skating, LSA provides a diverse range of programs to meet the needs of skaters and fans in the greater Louisville and Southern Indiana communities. All training programs for skaters are 100% underwritten by LSA and are offered at Iceland Sports Complex, Louisville's only year-round facility.
